

The image displays a handwriting practice sheet on a grid. It features a 20x20 grid of small squares. The first eight rows of the grid are filled with the letter 'T'. Each row contains four 'T' characters, one centered in each of the four columns. The 'T' characters are formed by a horizontal top bar and a vertical stem. The remaining 12 rows of the grid are empty, providing space for independent practice of the letter 'T'.
